

Wireless Innovation Forum Policy On Notification Concerning AI Generated Content Version 1.0

Approved by the Board of Directors on 14 September 2023

Following the Patent Call at the beginning of every in-person meeting and teleconference that occurs as a part of the technical process, and at any other appropriate time in the course of electronic collaboration as may be provided for under the Rules of Procedure, the meeting chair shall remind participants that Contributions and Submissions containing AI generated content, in whole or in part, also fall under the Forum's Intellectual Rights Policy.
